El Diagnóstico: Dios: El Impactante Periplo de un Médico a la Vida Después de la Muerte (Spanish Edition) Greg Viehman

"El Diagnóstico: Dios" es el periplo único de un cirujano exitoso que encuentra la realización de todos sus sueños en la vida vacíos, solitarios, y deprimentes. Al embarcarse en una búsqueda de la verdad y respuestas a las preguntas básicas de la vida, el Dr. Viehman se encuentra a sí mismo en el epicentro del más asombroso diagnóstico de su vida. En un periplo fascinante a través de la investigación, las pruebas y los empeños personales, el Dr. Viehman relata su viaje desde la muerte a la vida de una manera tal que va a resonar en cualquiera que indague los hechos y examine las evidencias por sí mismo. El Dr. Viehman usa su mente médica para abordar estas cuestiones de una manera profunda que es sorprendente, refrescante y fascinante. Él es vulnerable, transparente y muestra la mayor integridad al separar la realidad de la fantasía. Este nuevo autor es emocionante, agradable de leer e intrigante con su enfoque único para este tema. Creo que vamos a escuchar mucho más de él y va a darse un vuelco total a muchas creencias arraigadas acerca de Cristo, los cristianos y de la Iglesia. --- Big Mac Publishers
