Spud's nearly 15 and although he is no longer the youngest or the smallest in his dorm, his second year at boarding school is beset with women trouble, misguided late-night adventures and excruciating family visits. With his dreams of a stage career in tatters after a disastrous house play production of Noah's Ark, Spud, armed with only his wits and his diary, invites us to delve further into the mind of a boy who discovers that the long path to manhood is never easy...especially when all around him the madness continues.
