An offer you can't refuse: Behind the scenes of Coppola's masterpiece

"It's dangerous to be an honest man."

—Michael Corleone, *Godfather III*

As special photographer on the sets and locations of Francis Ford Coppola's *The Godfather* trilogy, Steve Schapiro had the remarkable experience of witnessing legendary actors giving some of their most memorable performances. Schapiro immortalized **Marlon Brando, Al Pacino, Robert De Niro, James Caan, Robert Duvall, and Diane Keaton** in photos that have since become iconic images, instantly recognizable and endlessly imitated. Gathered together in this book are Schapiro's finest photographs from all three *Godfather* films, lovingly reproduced from the original negatives. With **contextual essays and interviews** covering the trilogy in its entirety, this book contains **over 400 color and black & white images**.

Schapiro's images take us behind the scenes of this **epic and inimitable cinematic saga**, revealing the director's working process, capturing the moods and personalities involved, and providing insight into the making of movie history.
