Britney is nothing but a **spoiled little brat**. She's young, sexy, and used to getting anything her little heart desires. But, when she accidentally drives the family Lexus off the road and brings it home covered in mud, Britney may get **more than she bargained for**. The car belongs to her mother's **sexy older black** live-in boyfriend, Andre. He demands she clean up her mess or face the consequences.

Britney's no fool. She knows **the man of the house** wants her and has been teasing him relentlessly ever since he moved in. Britney decides to take advantage of the summer heat and turns the car wash into a **sexy, wet tease**. Will poor Andre be able to resist the nubile beauty or will he be forced to **punish her insolence with his BBC**?

Volume 5 of my Forbidden Affairs Series.
