Natural Beauty Author Expert Shares Personal Tips and Techniques On How You Can Have Softer, Smoother Skin

Sugar Wax is cleaner, greener and gives lasting results with finer hair regrowth.

Did you know that sugaring not only gives you smoother skin but also leaves your skin with a subtle, healthy sheen that you don't get from anything else?

Sugaring rejuvenates your skin as it smooths.

Your skin looks radiant and younger.

In this book I share sugaring secrets from the experts and my own personal perfected DIY recipe.

Learn the do's and don't of sugaring.

You'll never want to use any other wax.

A very warm welcome to all my readers.

If you want to have softer, smoother skin, this is the book for you.

I've written about sugaring methods, techniques and recipes in my books Natural Beauty and Natural Skincare that are also available as print books as well as Kindle books.

I just love sugaring.

I think it's the secret to my "super skin" and why I often suffer from "skin envy".

Sugaring not only removes unwanted hair from your face and body, it also exfoliates your skin as well,

leaving your skin with a gorgeous glow.

Waxing can be cumbersome, painful and messy, with varying results.

Sugaring, on the other hand, is less painful than waxing, washes off with warm water, and leaves less reaction in the skin such as redness or irritation.
