## **Lost** Carina Pang

This book is telling a story about a little lion who got lost in the forest, and many animal friends helped him find his way back home. My 7-year old girl came up with this idea when she was doing her homework, she told me "I want to write a book and share my story!" Then she really started working on it, and she finished it! She drew all the pictures and wrote paragraphs all by herself. She just learned how to write a biography from school, so she also wrote herself a biography at the end. I am so proud of her and I hope you enjoy this book!
