Body Shrine: Omnibus Edition Amanda Close

Dystopian romance and paranormal adventure collide in this wasteland odyssey of vampires, road warriors, and a super-powered sexual predator.

Word: 39,978

BODY SHRINE (Episode 1)

In a post-apocalyptic world the lone warrior Cassandra must use her supernatural gift, the ability to control life-force energy through sex, and all of her skills as a bounty hunter in an attempt to rescue the daughter of a handsome stranger from certain abuse and death at the hands of a raiding vampire cult and their enigmatic overlord.

VAMPIRE WASTELAND (Episode 2)

Cassandra has remained in the relative safety of Las Vegas for too long, as dark powers and thirsty monsters still stalk the deserts that surround the city. She has a loving husband who accepts her promiscuous nature, her mistress is the mysterious ruler of the city itself, and yet her spirit longs for the dust and violence of the vampire wasteland. Enemies and lovers alike rise to meet her as she returns to the open road.

NAKED GODDESS (Episode 3)

The Corrupted are coming, an endless horde of shambling nightmares that are heading straight for Las Vegas, driven by the will of an old enemy who refuses to die. Discordia has rallied an army of superheroes and road warriors to join her in defending the city while also seeking to fuel her lover's powers by making their last stand in an ancient temple to sexuality. Cassandra has returned from the wasteland with a secret weapon to help in the battle, though she must learn to unlock the deepest parts of her gift for anyone to have a hope of survival.

Caution: This is the collected edition of a savage post-apocalyptic series containing graphic sex & violence, and is not suitable for someone under 18 years of age.
