Vernon L. Oliver, still a young man, lives in a six-by-ten cell in a Florida prison. He has chosen the needle over the chair, has no desire to smell burned flesh on the day the state snuffs out his life. When his attorney suggests he write an autobiography to generate funds to cover legal fees incurred during the appeals process, Vernon sits down to pencil and paper and begins his narrative.

Miracles, Inc., Forrester's debut novel, tells the story of a charismatic slacker in love with Harley Davidson motorcycles and Rickie Terrell, a beautiful woman who quotes poetry and will not discuss her past. They live in an RV, smoke weed and drink beer, play Scrabble late into the night. His boss, a brilliant businesswoman with a far-reaching vision, offers him the chance to make more money than he ever thought was possible. He buys into the faith-healing scheme without reservation, and so begins the journey that leads to the stunning event that changes his life forever.
