## **Sanctuary (Forsaken Realms Saga Book 1)** Lillian Sage

Sanctuary follows billionaire vampire Alexander Graves, head of the powerful Medai Clan and Ruler of the Elder Council as he falls for Natalia, the exiled heir of the once powerful Forsaken, now clanless vampires who roam the fringes of the vampire world. Their union threatens to shake the very foundations of vampire society and expose a secret so deadly that the fate of Earth itself hangs in the balance.

"Epic! A sweeping vision that may very well transform the entire Vampire genre" - Frank Wilson, Readers International

"Sanctuary takes us to a place that no Vampire novel has taken us before. Miss Sage weaves traditional vampire mythology with ancient philosophy and religion in a totally unique way, and manages to do it with a modern flair that's fast paced and exiting. I can't wait for the next volume!" James Alexander, Entire Publishing

"Wow, just wow..." Justin Gates, USA Today Weekly
