The DK Handbook (2nd Edition) Anne Frances Wysocki, Dennis A. Lynch

Transforming expectations for textbooks, *The DK Handbook* presents information in newly accessible, scientifically tested, and student-friendly ways.

Never before seen in the handbook market, *The DK Handbook's* design is a true marriage of visual and textual content, in which each topic is presented in self-contained, two-page spreads for at-a-glance referencing. Explanations are concise and “chunked” to be more approachable and appealing for today’s readers, and accompanying visuals truly *teach* — making concepts and processes visible to students. The ground-breaking layout creates a consistent look and feel that helps students connect with the material, find information, and recognize solutions to writing problems they often don’t have names for.
