The Nuts & Bolts of Christian Education: Practical Wisdom for Teachers & Leaders Delia Halverson

"Can you give me the book that will tell me how to DO Christian education?" *The Nuts & Bolts of Christian Education* is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders. Even though most churches provide teacher and leader training at least once a year, generally these one- or two-day sessions are unable to answer every question that arises during the year.

The Nuts & Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging, and sometimes confounding, landscape of the education ministry of a congregation. This is not a collection of lesson plans--it is a chock-full survey of nearly every aspect of Christian education one could imagine. DOING Christian Education starts here.
