Western Legends: To the Last Man, The Mysterious Rider, The Lone Star Ranger Zane Grey

Three classics of the western genre by the greatest of its founders

Zane Grey is the most famous writer in westerns, a founder of the genre. His works have been made into more than one hundred movies and his stories have endured for a century, influencing all others in the genre.

Three fine, characteristic works are included in this omnibus: *To the Last Man*, the story of Arizona's Pleasant Valley War—an historic brutal family feud that ended in universal slaughter; *The Mysterious Rider*, a romantic adventure featuring Hell Bent Wade, a basically good man with a violent temper that leads him to murder—and redemption; and *The Lone Star Ranger*, the tale of a youth turned gunman turned Texas Ranger—and perhaps the spark that inspired that mythic character, The Lone Ranger.
