Cold Company: An Alaska Mystery (Alaska Mystery Series) Sue Henry

Multiple award-winning author Sue Henry takes us into the heart of America's last frontier with a gripping tale of suspense set in a rugged land that appeals to the adventurous and strong ... and to those who are drawn to darkness.

Famed Alaskan "musher" Jessie Arnold thinks she's finally put her dark past behind her. But the excavations on her new cabin unearth a decades-old skeleton entombed in a crumbling basement wall -- along with a butterfly pendant necklace worn by the alleged victim of a brutal serial slayer who preyed on area women twenty years earlier.

Pulled once more into a murder investigation against her will, Jessie fears a grim, half-forgotten nightmare has been reborn. For, in this stark and lonely place, in the first days of the all-too-brief Alaskan summer, another woman has disappeared without a trace. The signs suggest the unthinkable: an insatiable human monster has returned. And the clues she's uncovering hint that Jessie Arnold may well be his next victim.
