Humberto Fernandez, Therissa A. Libby Ph.D.

Heroin: Its History, Pharmacology & Treatment (The Library of Addictive Drugs) Humberto Fernandez, Therissa A. Libby Ph.D.

This updated and expanded second edition provides new research into heroin's effects on the brain, the changing attitudes and policies about methadone and medications, and the different approaches to treating heroin addicts. Included are studies of violence along the U.S.-Mexican border--which has put heroin trafficking in the spotlight--as well as a focus on how the wars in Iraq and Afghanistan have made opium a valuable commodity and a major source of funds for terrorists. Animated with vivid personal stories and vignettes, *Heroin* puts a human face on the long and complex story behind this notorious drug.
