Three years ago, Rachel Weiss walked away from the man she loved and a world of danger she could no longer be a part of. Now, the father of her child is missing and presumed dead, and only Rachel can save him. Drawn back into a world she thought she'd left behind forever, Rachel is in a race against time. *Saving Agent Tanner* is an edge-of-your seat, romantic suspense novel from author MJ Eason. You'll love this thrilling addition to her romance series, *The Spy Who Loved Me*.

He was the love of her life. The father of her child. Now he was missing. Presumed dead behind enemy lines.

CIA agent Booth Tanner was the best of the best and now he's as good as dead. The only person who can save him is the woman who'd written him out of her life three years earlier as a lost cause. Then Rachel Weiss receives a text message that is brief, chilling, and enough to send her back into the shadowy world she thought she'd left behind for good.
