Phiz can't always control his hyperactivity and propensity for chaos. But he no longer has to feel marginalised because of it, not now he has Bryan for a friend and lover. Bryan's calm, ordered attitude is the perfect foil for Phiz: and Bryan's private desire for kink is just what Phiz needs to keep him grounded. This Valentine's Day, Phiz wants to give Bryan a special gift, but Bryan can't be tempted away from his work. At least, not until he opens Phiz's gift and realises love means... taking time away to play.

Bryan and Phiz first met in the book "Slap and Tickle", one of a series of romance novellas based around the alcoholic ice cream shop in Soho called With A Kick. A joint-authored project with Sue Brown, each story has a self-contained romance, and follows the history of the shop throughout.
