Successonomics Nick Nanton, J.W. Dicks, Mikkel Pitzner, Various

The intriguing part of success is that it means such different things to different people. However, just as success encompasses achievement, SuccessOnomics™ implies the achieving of goals through fiscal competence. The concept of Success combined with Economics is a formidable financial combination. The Celebrity Experts® in this book are successful in different areas, but they all exhibit the components of success: perseverance, passion, planning, risktaking with a willingness to fail, decision-making and, maybe the most important component of all, they take action. The authors in this book share their success methodology and mindset. This allows the reader to understand not merely how they think, but, more importantly, how these CelebrityExperts® can guide and coach them to a mastery of SuccessOnomics™ in their own lives. Many of life's failures are people who did not realize how close they were to success when they gave up. ~ Thomas A. Edison
