I never told him about the baby... How did it come to this? Me, pregnant, with his child? Duncan tore through my life like a tornado through a field, and he carried me away with him somewhere amazing. His hot lips seared my skin, his possessive hands owned my body, and his azure eyes stole my soul. He took me, made me scream, made me his, and he never, ever stopped. But it could never last. We were never meant to be. I had to run! It was the only way! I know he's coming for me. I know he wants his family back. He wants to make me his again.

*

Only she could tame me... But then she stole my baby. The moment I saw Dee, I knew I had to have her as my own. I fell into her endless eyes, and her touch ignited my molten obsession. The way she felt, the way she smelled, the way she tasted... she was always my burning need. We had it all, had a plan. We were meant to be a family. But something spooked her, and she disappeared. She never told me she was carrying our baby. I know she's running for a reason. I know someone is threatening her. I'm not letting my family go. I'm getting them back. I'll do whatever it takes to protect them, to make her mine again.
