Hydn Rousseau

Failure is Not an Option: A Memoir Hydn Rousseau

Author Hydn Rousseau's father walked out on him, his three siblings, and his mother when Rousseau was five years old. Most of his daily meals as a young man consisted of bread and sugar water. He didn't graduate from high school. He was convicted for selling drugs and served eight and a half years in prison. But that didn't stop Rousseau from accomplishing his goals and dreams.

In *Failure is Not an Option*, he shares his story of growing up in poverty and how he didn't allow himself to become a victim or blame others for his circumstances. He stopped making excuses and took full responsibility for his actions. Twenty years later, he is a successful family and businessman who volunteers and mentors in the community. A story of perseverance, dedication, and personal transformation, this memoir aims to help others tap into their greatness to accomplish goals and dreams.
