Time marches on, even without Quinn. Four days without Quinn seems unreal, yet life in Hidden Falls must go on. Those closest to Quinn are tired of questions and desperate for answers. Sylvia tempers her anxiety with determined focus on restoring her shop and setting an example for the community that all will be well again - hopefully soon. Lauren picks up where Quinn left off in plans for the fast-approaching health fair, no matter how overwhelming the task. Amid frantic efforts to buy time and save himself from blackmail and ruin, Liam stumbles upon a clue that - with help from Sylvia, Jack, and Dani - just might lead to Quinn. Meanwhile, an impatient Nicole, a re-energized Lauren, and a reluctant Ethan take matters into their own hands in a daring move to speed up the investigation into Quinn's disappearance. They never imagined what they'd find....
