## **Villette** Charlotte Bronte

After an unspecified family disaster, the protagonist Lucy Snowe travels from her native England to the fictional French-speaking city of Villette to teach at a girls' school, where she is drawn into adventure and romance. "My godmother lived in a handsome house in the clean and ancient town of Bretton. Her husband's family had been residents there for generations, and bore, indeed, the name of their birthplace—Bretton of Bretton: whether by coincidence, or because some remote ancestor had been a personage of sufficient importance to leave his name to his neighbourhood, I know not."
