An entrepreneur with nothing more than a dream teams up with an actor just out of prison and a has-been scriptwriter. Is their effort truly inspired or doomed from the start? A true star, Brent had arrived, but a downward spiral ended in a terrible accident and six long years behind bars. Then God finds Brent in prison, and on release he sets himself up with a small business and volunteers with a local theatre group. Celia had thought the inner and outer scars left by the accident were far beyond forgiveness. How could she ever find it in her to absolve Brent simply because he asks? A Christian businessman is challenged with a new venture, but how can he make a film when he doesn't even know where to begin? Thus begins an odyssey bringing some very unlikely people together to do something bigger than any of them could have imagined on their own.
