Support and engage the many different kinds of learners in schools. This book examines the most effective strategies for leading diverse students in developing the skills they need inside and outside the classroom. By understanding and exploring students' emotional, cultural, and academic needs, educators will be better prepared to teach *all* students and help them become lifelong learners.

Benefits

- Understand the journey of the teacher hero and the corresponding actions and mission.
- Recognize key traits of the nine most common types of unique learners.
- Gain six effective learning foundations to reach all learners.
- Identify emotional triggers, and explore ways to respond to problems with skills instead of emotions.
- Discover how the chunk, chew, check framework can simplify lesson design that engages all learners.
- Use resources and tools, including surveys and prompts, that can help readers effectively strategize on their heroes' journeys.
