Until We Meet Again

Barbara Jeanne Fisher

Until We Meet Again Barbara Jeanne Fisher

A mother is supposed to comfort a child when he or she is so terribly sick. But you were the strong one.

With those words, Barbara Fisher opens this touching memoir about her daughter, Mary and the sudden diagnosis of inoperable cancer that took her life.

Mary's beautiful unselfishness in the way that she chose to die is an example to all of us as to how we can turn the worst of times into a forever gift to others. Her letters, included in this book to her daughter, her parents and to the world, were meant to be remembered and shared. I can truly say that my daughter taught me how to leave this world with dignity...

This book is a loving tribute to a young wife, mother and daughter who placed family and friends above prestige and acclaim. It is a reminder to us all that a life well-lived, no matter how brief, finds posterity in the lives of family and friends.
