Strike the perfect balance between level of detail and accessibility! Written for a one-semester, non-Biology majors course, BIOLOGY TODAY AND TOMORROW is packed with applications that are relevant to a student's daily life. The clear, straightforward writing style, in-text learning support, and trendsetting art engage students and help them understand key concepts. The accompanying MindTap for Biology is the most engaging and easiest to customize online solution in Biology. Overall, this accessible introduction helps students develop an understanding of biology and the process of science while building the critical-thinking skills they need to become responsible citizens of the world.
