Dark Horse's republication of Fritz Leiber's immortal tales of Fafhrd and the Gray Mouser reach a turning point with this new edition of Leiber's final stories of the two intrepid adventurers. Their journeys have taken them from one side of Nehwon to the other, facing life-risking peril at every turn. Now, in a set of stories that show us Fafhrd and the Mouser both on their own and together, they will face some of their most challenging obstacles, and — against assassins, angry gods, and even Death himself — the duo must battle for their very lives.

With a mixture of high adventure, moving drama, and broad comedy, *The Knight and Knave of Swords* is a perfect endpiece to Leiber's stories of the stalwart comrades, and sets the stage for all-new adventures in the next volume, by renowned fantasy author Robin Wayne Bailey.
