A trailerable sailboat is the ideal way to explore every part of the country - wherever there are lakes, rivers, reservoirs or ocean coastline. To make the most of this exciting lifestyle, owners (or prospective owners) of trailerable sailboats need three things: an understanding of the boat and how to use it, knowledge about the tow vehicle and trailer used to transport the boat, and a spirited sense of adventure to live the dream. This book delivers all three, in a down-to-earth style old salts will appreciate, yet easy enough for budding sailors to grasp.
