Godwin's Cabalistic Encyclopedia: A Complete Guide to Cabalistic Magic (Llewellyn's Sourcebook)

David Godwin

One of the most trusted reference works ever published on the Cabala has been revised and expanded. Featuring a new and more usable format, this book is a complete guide to cabalistic magick and gematria in which every demon, angel, power and name of God ... every Sephirah, Path, and Plane of the Tree of Life ... and each attribute and association is fully described and cross-indexed by the Hebrew, English, and numerical forms.

All entries are now incorporated into one comprehensive dictionary. There are hundreds of new entries and illustrations, making this book even more beneficial for Cabalistic pathworking and meditation. It now has many new Hebrew words and names, as well as the terms of Freemasonry, the entities of the Cthulhu mythos, and the Aurum Solis spellings for the names of the demons of the Goetia. It contains authentic Hebrew spellings, and a new introduction that explains the uses of the book for meditation on God names.

The Cabalistic schema is native to the human psyche, and *Godwin's Cabalistic Encyclopedia* will be an invaluable reference tool for all Cabalists, magicians, scholars and scientists of all disciplines.
