Hold Fast Heather Hart

Bonnie MacDonald lives on the wild and beautiful Scottish Isle of Skye. Her life is peaceful enough, apart from the ever-simmering feud between the McDonalds and the MacLeods, who live to the north. But now her father is going to die, and it is not to be a Highlander's glorious death in battle, but an underhanded assault in the dark by a traitorous servant. That same treacherous fiend had once come after Bonnie, but at the last moment she was rescued from violation and murder by the one man she cannot show gratitude to, the son of her family's sworn enemy, Rory Mòr MacLeod.

And yet she falls in love with her rescuer, and he with her, and there never were two more star-crossed lovers. Neither family will readily accept a union between them, but Rory does not give up on making her his own, though Bonnie often misconstrues his intentions. Matters are further complicated when they discover that Bonnie's guardian harbors a secret passion for his beautiful young ward, and soon claims her for himself.

But everyone's plans are foiled when another suitor for her hand kidnaps and whisks Bonnie away to a lonely house in the north of Skye. Her only chance is to flee her captor and seek sanctuary in Rory's castle at Dunvegan. But while Bonnie fights for her own survival, the battling clansmen bring their families to the brink of war, and all for the love of the same woman.

Hold Fast is a historical romantic suspense novel; it is also a sweet romance with no illicit sexual liaisons. The story is based loosely on real events leading to the Battle of Coire Na Creiche, also known as the Wars of the One-Eyed Woman, fought on the Isle of Skye in 1601.
