Montana Cowboy Mail Order Bride Romance

Billings Montana is the last place a city girl should want to go, but when it holds the key to her future and her past, Marie has no choice but to go west.

The daughter of a Native American woman and an American stock mogul, Marie finds herself an orphan after her mother runs away and her father dies in a tragic accident. At the age of ten she is left to fend for herself in a rundown orphanage where her half breed status often makes her the target of cruelty.

Knowing that she will be kicked out of the orphanage when she turns eighteen, Marie decides to answer an ad for a mail order bride for a farmer in Montana. She travels west in hopes of finding a better life and her run away mother...and maybe love.

Suggested Reading Order (although each book is a standalone):
