How far will the Islanders go protect one of their own? When the body of an 'outsider' is found stuffed in the crab boil pot right before the opening of Mooseamuck Island's annual Crab Festival, the islanders aren't too worried. After all, outsider business is none of their concern. They just don't want something as inconvenient as a murder to put a damper on their festival. But when the victim's real reasons for being on the island are revealed, suspicions fall on several of the long time island residents. Claire and Dom find themselves in the unenviable position of having to team up to prove the innocence of their friends ... too bad each of them have a different idea of who is innocent. Will Dom and Claire be able to put their differences aside long enough to nail the real killer even when the investigation threatens to expose a deeply hidden secret of one of Mooseamuck Island's most beloved residents?
