SIX TWISTED TALES OF PLEASURE AND PERIL by Sky Ashton...

An erotic collection of strange seductions and titillating terror. Ashton explores the dichotomy of pleasure and peril in this poetic and somewhat disturbing look into the would-be romances and intimate affairs of cinema's most notorious cult classic villains. A bit campy and a lot of fun, this collection entertains as it serves up plenty of guts and gore with a side of sweet sensuality.

THE VAMPIRE'S LAST LOVER by Aiden James...

Txema Ybarra is the most unenviable nineteen-year-old girl alive. Born with an unusual 'twin teardrop' birthmark on her neck, Txema is caught in the middle of a vampire war after all the other bearers of the birthmark are murdered. The race is on to save her blood, and her very life, to ensure the survival of Les Amants de Vampire. Otherwise, Txema will be the last one...the vampires' last lover.

THE SPIRIT IS WILLING by Ren Connery...

A young woman is left to her own devices when spending a night alone in a long-abandoned mansion in the Pacific Northwest. But when her thoughts and imaginations begin to draw her back into the delicately immersive memories stored within its walls, she discovers there is life yet within the emptied rooms; life which feels as tantalizingly and intimately drawn to her as she feels to it.

DARK ROMANCES, an anthology... three storytellers of intimate immortal romances in one back-arching, nail-biting eBook collection!
