Based on the popular Nick, Jr. animated TV show, Go, Diego, Go! this book makes Diego's animal rescue stories come to life, thanks to the action viewer and cards that accompany this three-story collection. As they read the stories, kids can follow prompts to insert any one of the 30 cards into the viewer, shift the viewer slightly, and see the picture change right before their very eyes. For example, one card might show an animal in danger. Shift the viewer, and suddenly the scene changes to show the animal is now safe! A handy clip lets you attach the toy to your belt loop or backpack for take-along fun.
