The boys are back in a 50th Anniversary Edition, with a new introduction by Sheridan Brinley. A strange sea monster appears on the lake...a fortune is unearthed from an old cannon ...a valuable dinosaur egg is stolen. Watch out as the Mad Scientists turn Mammoth Falls upside down! Take seven, lively, "normal" boys -- one an inventive genius -- give them a clubhouse for cooking up ideas, an electronics lab above the town hardware store, and a good supply of Army surplus equipment, and you, dear reader, have a boyhood dream come true and a situation that bears watching. In the hands of an author whose own work involved technological pioneering, the proceedings are well worth undivided attention, as the boys explore every conceivable possibility for high and happy adventure in the neighborhood of Mammoth Falls. To the unutterable confusion of the local dignitaries -- and the unalloyed delight of Bertrand Brinley's fans -- the young heroes not only outwit their insidious rival, Harmon Muldoon, but emerge as town heroes. Here, captured under one cover, are the fun-filled escapades of the young scientists whose exciting capers debuted in *Boys' Life* fifty years ago. Get the whole set of all four Mad Scientists books in hardcover, or one large paperback. They're all available for your Kindle too, with illustrations by Charles Geer!
