## **Dark Escort (Beautiful Entourage) (Volume 3)** E. L. Todd

Abiding by the rules has never been a struggle for Cato. Being an escort is strict and professional. He clocks in and clocks out like a regular job. He poses as a boyfriend or husband for those who need it, and with his charm and good looks he does it well. And he doesn't break the rules No Kissing. No Feelings. And No Sex. Ever. There's an endless line of beautiful women outside of work, so temptation has never been an issue. They come to him quicker than he can even look in their direction. And as soon as he kicks them out the following morning, he can't even remember their name. But when an old flame becomes his new client, someone he let slip through his fingers, will he be able to keep his resolve? Or will he crack?
