A man devastated by love

After three years of carousing and debauchery, Alex Cartwright, heir to the Duke of Hastings, has put his life back in order. Having embraced sobriety for two years, he has no intention of revisiting the past or risking his heart again. But the return of the very woman who introduced him to the darkest side of hell brings not only the painful, haunting memories of bittersweet love and abandonment, but the son he never knew he had...

A woman silenced by secrets

Threatened by the revelation of a secret that could destroy her family's place in society and forever tarnish a dukedom, Charlotte fled England on her wedding day five years ago. Now, although it appears that secret is safe, when Alex discovers her other secret—their son—Charlotte has an altogether different battle ahead. She must now fight one love to hold onto the other—the man whose touch still makes her burn, for the child who is her very world.
