When a fragile peace breaks down between Pakistan and India, the United States is forced to intervene. When a rapidly escalating war threatens to engulf the entire region, the president must find a way to shut it down immediately or else face total destruction for the world at large.

With the clock ticking and Pakistan in the hands of a religious radical willing to do anything and risk everything to achieve his deadly plan, there is only one man with the skills and experience to infiltrate the live war theater and successfully execute a nearly impossible, unbelievably daring plan. His name: Dewey Andreas. His mission: to remove the Pakistani president from power. Now all the White House has to do is find him...before time runs out.
