Shift classroom structures to enhance student success. By becoming learning partners with their students, teachers can help them develop enthusiasm for learning and employ deep learning goals. Discover how to cultivate a classroom environment in which students can apply what they've learned, teach it to their teacher and fellow students, and understand how their knowledge will be useful beyond the classroom.

### Benefits

- Gain strategy-rich and practical ways connected to Michael Fullan's 6 Cs to immediately create change in classrooms.
- Study real stories and examples of transformation in K-12 classrooms, and read teachers' and students' comments.
- Discover online organizational, planning, and collection tools that educators can use to manage recordkeeping, assessment, feedback, and personal professional development.
- Determine how to connect with other classrooms and maintain personal portfolios online.
- Ascertain the importance of transparency as part of a healthy school culture.
