Field Guide to Wilderness Medicine

Paul S. Auerbach MD MS FACEP FAWM

Field Guide to Wilderness Medicine Paul S. Auerbach MD MS FACEP FAWM

This field-guide handbook, based upon Dr. Auerbach's text *Wilderness Medicine*, 3rd Edition, focuses on information that is needed when medical situations present in the wilderness setting. It covers field therapy, initial emergency management, and recommendations for injury and illness prevention (including acclimatization).

... Includes the essential treatment protocols for wilderness emergencies in a compact, easily carried, paperback text. ... Written at a higher-level for the medical professional. ... Discusses diagnostic and treatment procedures with easy-to-follow, step-by-step instructions. ... Includes definitions, clinical presentations, and treatments in a well-organized and indexed format. ... Emphasizes improvisation, so that the reader may efficiently use whatever materials exist in the environment to aid treatment. ... Written by recognized leaders in the field of wilderness medicine.

From reader reviews:

Bobby Kile:

A lot of people always spent their own free time to vacation or even go to the outside with them family or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity this is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent the whole day to reading a guide. The book Field Guide to Wilderness Medicine it is rather good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. In case you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too expensive but this book provides high quality.

Tracy Caudle:

The reason? Because this Field Guide to Wilderness Medicine is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Eugene Hughes:

In this period of time globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended for you is Field Guide to Wilderness Medicine this publication consist a lot of the information on the condition of this world now. That book was represented how do the world has grown up. The language styles that writer require to explain it is easy to understand. The particular writer made some analysis when he makes this book. That is why this book suited all of you.

Theresa Braun:

As we know that book is vital thing to add our expertise for everything. By a guide we can know everything we really wish for. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This reserve Field Guide to Wilderness Medicine was filled with regards to science. Spend your time to add your knowledge about your science competence. Some people has distinct feel when they reading the book. If you know how big benefit of a book, you can truly feel enjoy to read a e-book. In

the modern era like now, many ways to get book which you wanted.
