"As a covert operative who penetrated the first Al Qaeda cell on American soil and who foiled other terrorist bombings, I salute Mr. Mitchell Gray who put his life on the line to fight in the Iraq War for the Freedom of our America. I understand the serious danger he exposed himself to when he used his pen as clever as his gun to document in this book the missing links to connect the dots for the American people. I respect and appreciate the sacrifices Mitchell Gray made when he penetrated some of the terrorist cells. He is an American patriot I admire." -Emad Salem, Author of Undercover , the Untold Story of Al Qaeda the FBI and CIA in America
