Is There Something Wrong With Me?: Trilogy to Mother's Children Sandra Maddix

The trilogy to Mother's Children. Not being Alone but spiritually connected to Mother in every which way! Fantastic read but is it the end?(For the front of the book. I don't want no editing done on my work. I know it's grammatically incorrect, but it needs to remain so has to connect to the readers and the people/readers. I want no changes except for font, black, large size as possible, and double line spacing. Basically you can leave it as I have submitted it besides making it black ink and the cover page is suppose to be one in colour. Thanks)
