Knight of Wands (Knights of the Tarot Book 1) Nina Mason

Paranormal Investigator Vanessa Meadows believes in every kind of magic except love.

When her new boss sends her on an assignment to remote Caithness, Scotland, she's determined to do whatever it takes to prove the Vampire of Barrogill is more than a legend. First, however, she must get inside the castle where the entity is believed to dwell.

Castle Barrogill belongs to Callum Lyon, a handsome baron and reclusive political astrologer. Their strong mutual attraction proves a boon to Vanessa's plans, but, once inside his castle, she encounters more paranormal activity than she bargained for. There's no vampire, but there is a blood-drinking faery knight-- and a ghost who will stop at nothing to keep her there. Will freedom-loving Vanessa's feelings for Callum, coupled with nudges from the other side, be enough to persuade her to give him a chance? Or will the dark secrets of Castle Barrogill only reinforce her unwillingness to put her faith in the power of love?
