New and Revised Edition of New World Atlas Volume One (2010) contains over 60 Earth Change Maps, a Glossary of Terms, and an extensive index. Prior to a dream in 1983, Lori Adaile Toyé was a farm wife and the mother of three small children. Since she had been a student of Ascended Masters teachings from 1978, when four beings in white robes appeared to her in a vision and unrolled huge maps of North America, showing imminent changes on earth, she quickly recognized these Beings as the spiritual teachers she had been studying. Five years later, Lori began to probe the vision through daily meditation, hoping that the details about the prophecy would be revealed. The Ascended Masters appeared again and expressed willingness to share the information. Six months and eighty session later the most detailed body of earth changes prophecy that the Western world had received in recent times was revealed. Ten percent of this material contained the I AM America Map of Earth Changes for the United States. The balance of the remaining information contained spiritual teachings. This book is the first volume of those teachings. Ascended Master Saint Germain presents prophecies for a new time and practical solutions that can heal and transform our lives. The teachings contained in this book state that cataclysmic and devastating earth changes can be lessened or averted through a change in humanity's heart and mind.
