## **Saving Samuel (Manchester Ménage Collection Book 1)** Nicole Colville

Police officer Milo and Fireman Daniel have been dating off and on for six years, but it always seems more off than on. Just when their relationship reaches breaking point, someone enters their lives, unknowingly helping the confused couple work through their differences.

Falling in love with the man Daniel rescued and who Milo is investigating as a potential arson suspect isn't a conventional start to any relationship, especially one which includes a mysterious blond who's afraid to stop running. But they both see what didn't work out as a couple, could work out as a ménage.

Daniel and Milo unite to help save Samuel, but quickly realise he's not the only one being saved.

With so many obstacles in their way threatening to destroy the future they desire, all three have to fight to create a bond too strong for anyone or anything to break.

Meet the first three men in my Manchester Ménage Collection.
