The Bloomsbury Companion to Hindu Studies (Bloomsbury Companions)

Originally published as *The Continuum Companion to Hindu Studies*, this Companion offers the definitive guide to Hinduism and study in this area. Now available in paperback, *The Bloomsbury Companion to Hindu Studies* covers all the most pressing and important themes and categories in the field - areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research. Specially commissioned essays from an international team of experts reveal where important work continues to be done in the field and, valuably, how the various topics intersect through detailed reading paths. Featuring a series of indispensable research tools, including a detailed list of resources, chronology and diagrams summarizing content, this is the essential tool for anyone working in Hindu Studies.
