Connie Hastings

A Stranger in My Hotel Room: A Sex with Stranger Erotica Story Connie Hastings

Here is the second story in the new collaborative series from Red Hot Explicit Erotica Press. Connie Hastings takes over where Angela Ward left off. Katie and her husband Hal explore her sexual fantasies, and the results are sometimes shocking and always red hot!

In this story, Katie's fantasies about sex with a stranger take center stage. She's left alone in the hotel room, but she won't be alone for long as a handsome masked stranger decides Katie is just the kind of girl he wants to enjoy.

Warning: This ebook contains very explicit descriptions of stranger sex and includes rough sex. Only mature readers who won't find that offensive should read this story.

Here is a preview:

She took her time. After she'd cleaned and rinsed she just let the water flow over her for about fifteen minutes, trying to regain some of the relaxation without the unwelcome images. Hell, she didn't even know what the man looked like. His eyes. They were wonderful. Hal's eyes were wonderful, too. Damn! She didn't want to think of the stranger, but the water and the heat and her irritation at being alone were working against her. Finally, she gave up and turned the water off. She stood in the shower, allowing the water to drip from her. She supposed she'd have to wait up for Hal, have to just attack him when he walked into the room. If she thought of the man while she was with Hal, so be it. She'd still be with Hal.

After a minute or two, she opened the shower door and stepped out. The man in the grey clothes stood at the bathroom door. He was still dressed as she'd seen him, and the sight of him paralyzed her. Vaguely, she realized she was naked and still dripping from the shower, but she remained in place unable to move. She saw some kind of movement behind the mask, as though he were smirking at her. Still, she stood unmoving, trying desperately to understand the situation. She knew she was naked. She knew a stranger was only steps away, and she knew that she hadn't taken steps to cover herself up. She wanted to. She desperately wanted to cover up, but the shock was greater than her will.

The stranger took three steps forward until he was directly in front of her and still she couldn't move, even as he leaned forward and pulled her to him.
