Crazy Days in Big Lake Nick Russell

Everybody seems to have gone crazy in the little mountain community of Big Lake, Arizona. Neighbors are threatening violence, eco-protestors are on the march, flower children are camping in the nearby forest, two of Sheriff Jim Weber's deputies have gotten into a fistfight in the ButterCup Café, the grocery store manager has locked himself in his office and won't come out, bears are chasing dogs into houses, and somebody has stolen the town's mascot. As if that isn't enough to deal with, a mild mannered retired couple have shot an intruder during a home invasion. By the time this wild tale is finished, more blood will be shed and the good people of Big Lake will be left wondering just how well they really know their neighbors.

Many of the characters that made the first two books in the Big Lake book such a hit are back, along with some new ones readers will remember for a long time.

One reviewer has referred to the Big Lake mystery series as "Mayberry Meets Twin Peaks." It's a combination of humor and intrigue that launched author Nick Russell's first Big Lake book into Amazon's 100 Top Paid Kindle books for over 78 days, and Crazy Days in Big Lake, the third book in this popular series, is sure to be a hit too!
