## **Dance with the Dragon (McGarvey)** David Hagberg

The CIA is on edge. All signs indicate that something is coming at the United States. Perhaps another 9/11, maybe bigger.

The body of CIA agent Louis Updegraf ends up on the steps of the US Embassy in Mexico. His last operation was to tap into the communications of the Chinese Embassy, but there is no record of why. He appeared to be freelancing and the Agency must scramble to get a clue as to what he was after.

Kirk McGarvey, serving as a visiting professor at the University of Florida, is once again longing for the action of the field. So when his old friend Otto Rencke asks him to help figure out the connection between China and the murdered agent, it takes almost no effort to get McGarvey up and running.

The only informant they can find is an enigmatic Iranian belly dancer?the dark and lovely Shahrzad Shadmand. But her story changes with the wind, and her knowledge of McGarvey's past is uncanny. Kirk McGarvey must unravel her shattered mind to get to something that might resemble the truth.
