Koji Suzuki

EDGE Koji Suzuki

Edge begins with a massive and catastrophic shifting of the San Andreas fault. The fears of California someday tumbling into the sea--that have become the stuff of parody--become real. But even the terror resulting from this catastrophe pales in comparison to the understanding behind its happening, a cataclysm extending beyond mankind's understanding of horror as it had previously been known. The world is falling apart because things are out of joint at the quantum level, about which of course there's never been any guarantee that everything has to remain stable.

Koji Suzuki returns to the genre he's most famous for after many years of "not wanting to write any more horror." As expected from Suzuki, the chills are of a more cerebral, psychological sort, arguably more unsettling and scary than the slice-and-dice gore fests that horror has become known in the U.S. Never content to simply do "Suzuki"--as it were--but rather push the envelope on what horror is in general and for which readers have come to know him, *Edge City* borders on being cutting-edge science fiction. The author himself terms this novel, which he has worked on for some years, a work of "quantum horror."

From reader reviews:

George Gentry:

Have you spare time for the day? What do you do when you have more or little spare time? Sure, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a walk, shopping, or went to the actual Mall. How about open or read a book eligible EDGE? Maybe it is to become best activity for you. You recognize beside you can spend your time together with your favorite's book, you can better than before. Do you agree with their opinion or you have various other opinion?

Allie Littlefield:

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining including comic or novel. The EDGE is kind of reserve which is giving the reader unforeseen experience.

David Blunt:

Reading a book can be one of a lot of exercise that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people love it. First reading a guide will give you a lot of new data. When you read a guide you will get new information simply because book is one of several ways to share the information or their idea. Second, examining a book will make you more imaginative. When you looking at a book especially fictional book the author will bring one to imagine the story how the personas do it anything. Third, you may share your knowledge to other folks. When you read this EDGE, you may tells your family, friends along with soon about yours guide. Your knowledge can inspire the others, make them reading a e-book.

Danica Johnson:

Reading a guide make you to get more knowledge from that. You can take knowledge and information from the book. Book is created or printed or created from each source which filled update of news. Within this modern era like right now, many ways to get information are available for an individual. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just seeking the EDGE when you necessary it?
