HOUSE! Callum Gibson

Jo Taylor is used to being watched. As the presenter of an online game show it is her job to be watched. She wears her professional persona like a mask, a thick and definite line between her work and her personal life. But the mask is starting to slip. And after Jo is forced to show a little more of herself than she'd like, there's someone in the audience who is keeping one black eye on her. A certain someone who doesn't just want to peek beneath the mask, they want to rip it off and tear it to pieces.

House! is the first novel to be written by Callum Gibson and published by Good Guy Publishing. It is the third and final story in the Black Cover Books Trilogy, and blends the macabre humour of his debut short Buckle with the real-life relationships of his follow-up novella Year of the Rat.
